SEDIDIK CHILD & FAMILY DEVELOPMENT PROGRAMME

SeDidik was established in 5 March 1991 to provide quality pre-school education, particularly to rural children and low income families. As at 31 December 2014, SeDidik operates 80 centres serving 1,855 children from 1,612 families. Out of this, 66 are rural centres and 13 are urban centres. Services offered include:

- Tadika (4 – 6 years old)
- Taska (below 4 years old)
- Before and After School Care
- Value Added Services

SeDidik provides special programmes that enhance the children's learning abilities. These programmes include:

Kindergym

Kindergym programme is specially formulated to help children aged 4 to 6 years to develop wholesomely. This programme provides organised physical activities that are designed to help pre-school children to develop the following characteristics:

- Listening Skills
- Coordination
- Physical Strength
- Balancing Skills

Kindergardening

Kindergardening is a module where children are taught Science and Mathematics in a practical manner. Children are exposed to basic knowledge about plants (vegetables and herbs) and their life cycle and basic gardening equipment and techniques.

Music Class

SeDidik music class is facilitated by committed teachers who use creative music and group ensemble while playing in a relaxed and worry-free learning environment. Classes are designed for students to learn how to play musical instruments (keyboard and guitar) and appreciate the joy of music.

Kelas Bimbingan Iqra' / Al-Quran

Kelas Bimbingan Iqra' / Al Quran is conducted in a small and friendly classes providing the right environment for children to settle in comfortably and begin learning to read. Supportive tutors guide children during classes, perfecting their reading of Iqra' in accordance with the rules of Tajweed before switching to Al Quran.
